REMEMBER THE . . .

From time to time we all catch ourselves saying, "Remember when . . . " or "Remember the time when we . . . " Every day creates a new memory. Whether it be good or bad it is in the past and the past is a memory.

At Denton we have an opportunity to develop many memories with many different people because of our small size. As our school continues to increase each year, it allows for even more memories.

Although we may not realize it now, one day it will dawn on us that these are the best years of our life. No memory can be greater than the laughter and sorrow we shared with a friend, ballgames, dances, pep rallies and all the fun activities our school has to offer, but no memory can compare to our graduation day.

There are so many things that we will never forget, so many moments that we will always cherish. Make your school years something you will always remember.

Follow us as we show you all of this year's activities that have now become memories. We hope that this yearbook will always give you "SOMETHING TO REMEMBER"

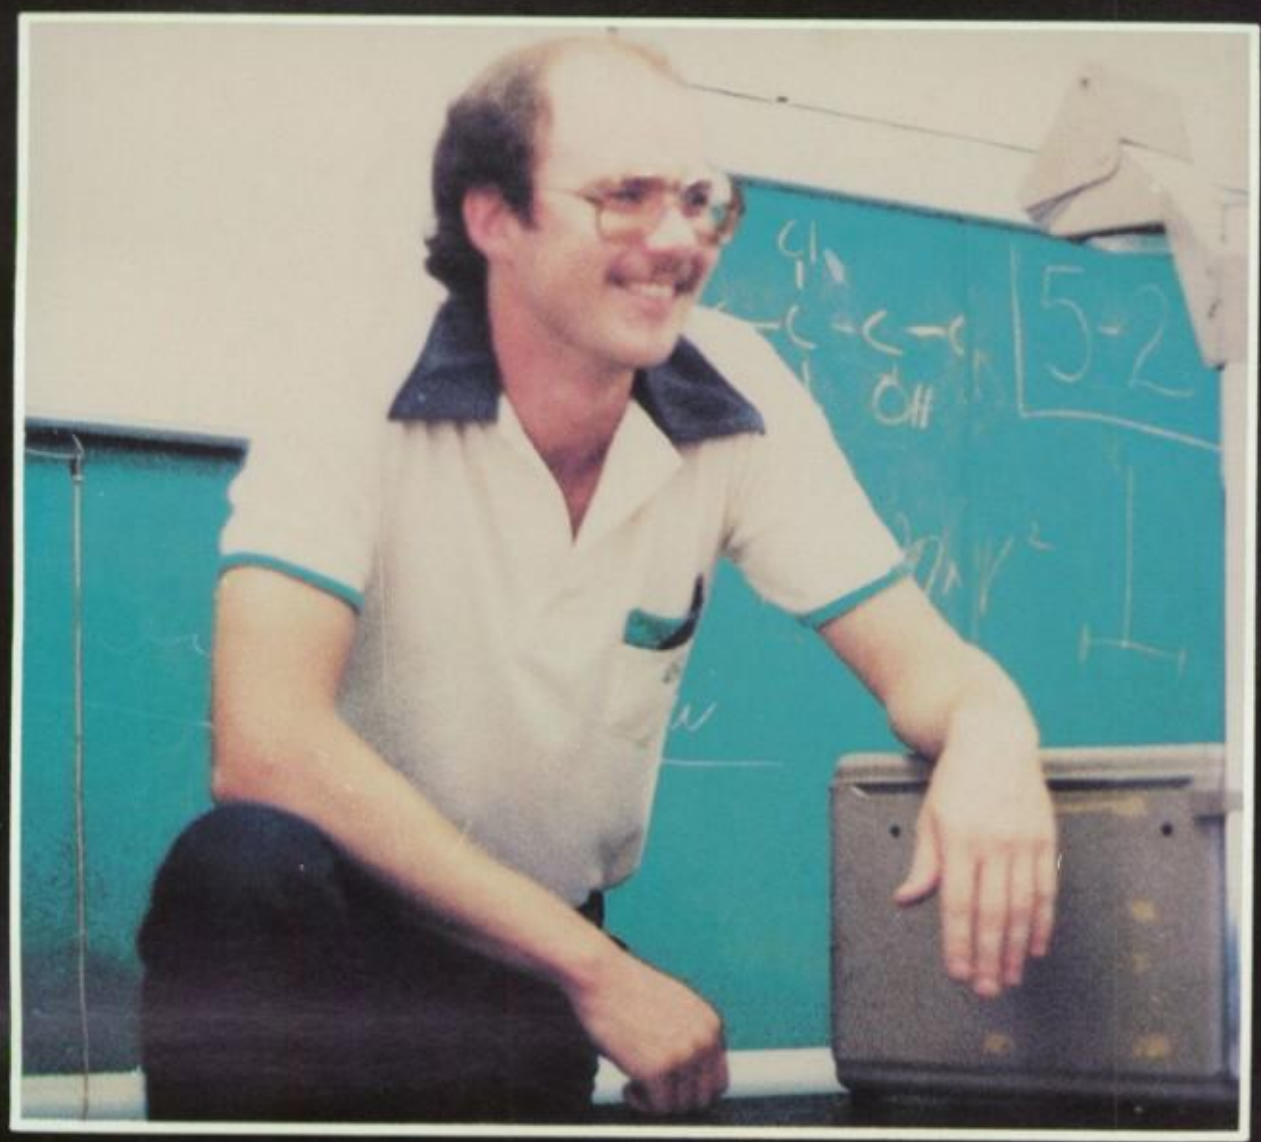
SENIOR CLASS 1984

1984 DEDICATION OF THE PHOENIX

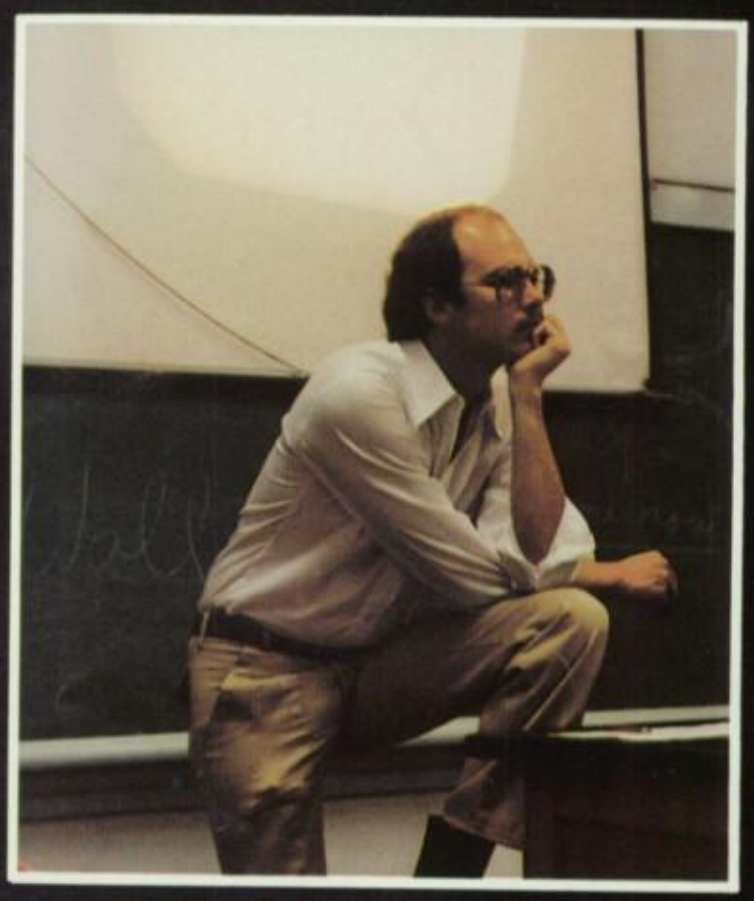


When this year's Senior Class was asked to select a deserving faculty member for the annual's dedication, one person came to everyone's mind immediately. It seems only natural that this person fits this honor.

He has been with us throughout our high school years and almost all of us have been fortunate enough to be in his class.

One unique thing about this super guy is that he mixes education and fun and creates an enjoyable atmosphere inside the classroom. Although he loves to see students struggle to pass his class. Often he jokes in class, calls you by last name, and has a good time watching you rack your brain during one of his test. He has a way of teaching that no other teacher could ever master. He is just like one of the Seniors. The only difference is that when we leave, he won't be leaving with us. We will truly miss you and we will always remember you.

As our way of saying "Thanks" for all the great times we shared, it is to you that we the class of "84" dedicate this edition of the Phoenix to — Mr. Bill Wall



WE LOVE YOU

TWO DAYS IN OCTOBER

Remedial aide, Mrs. Dorcus Loflin works with juniors Debbie Surratt and Pam Kearns explaining a few problems that appear on the competency test.

State law requires that everyone receiving a high school diploma pass a competency test to demonstrate their proficiency in basic life skills. The staff of Denton High is justifily proud of the record of its students. Everyone that has graduated from Denton has passed the test since it has begun.

The test is given to juniors each fall and repeated in the spring. A student has at least four opportunities to pass before graduation. Math and Reading are the basic parts of the test given on separate days.

Students that need help brushing up on their math skills can work with Mrs. Dorcus Loflin, the half time remedial aide. She works with them on areas that present special problems to them.

Computer Mania-Guess who's moving onto the twenty-first century at Denton High? A group of young, interested students are learning the challenges and fundamentals of working a computer. Under the guidance of Paul Londohl-Smidt, these students are learning how a computer works and how and why it does things. He meets with this club after school on Wednesdays from 3:00 to 4:00. Who knows, the next ATARI catridge you buy might have been written by someone from Denton.

Every time you turn around, Sell, Sell, Sell. Tom Wat, M & M'S, magazine subscriptions, jewelry, Red Raider jerseys and Red Raider hats, tickets to this and tickets to that. Calenders and advertisements, not to mention that there seems to be a bake sale every day. Never thought you'd get sick of sweets, did you?

It's quite difficult to sell around here because by the time you get around to everyone, "I've all ready bought one" is the number one answer you receive. Not only can you not sell to others, you can't even sell to yourself because you're broke from buying $10.00 worth of junk you'll never use just to help out your friend. No one knows the trouble you go through to reach the group's goal. No one knows that you kill yourself to be top salesman so you will win $20.00. It is clear to see that it is easier to buy than it is to sell. Anyone wanna buy a yearbook?

THE SOUND OF MUSIC

This year the band has been busy marching half-time shows, parades, and giving concerts.

The band marched pregame and half-time at every home football game this year under the field direction of drum major, Donna Brown, flag captain, Jenny Plummer, and Billy Grimmett as the director.

The band also marched in the Thomasville Christmas parade and the Denton Holiday Festivals Parade.

In early spring the band plans on having a concert and is going to a concert competition in March.

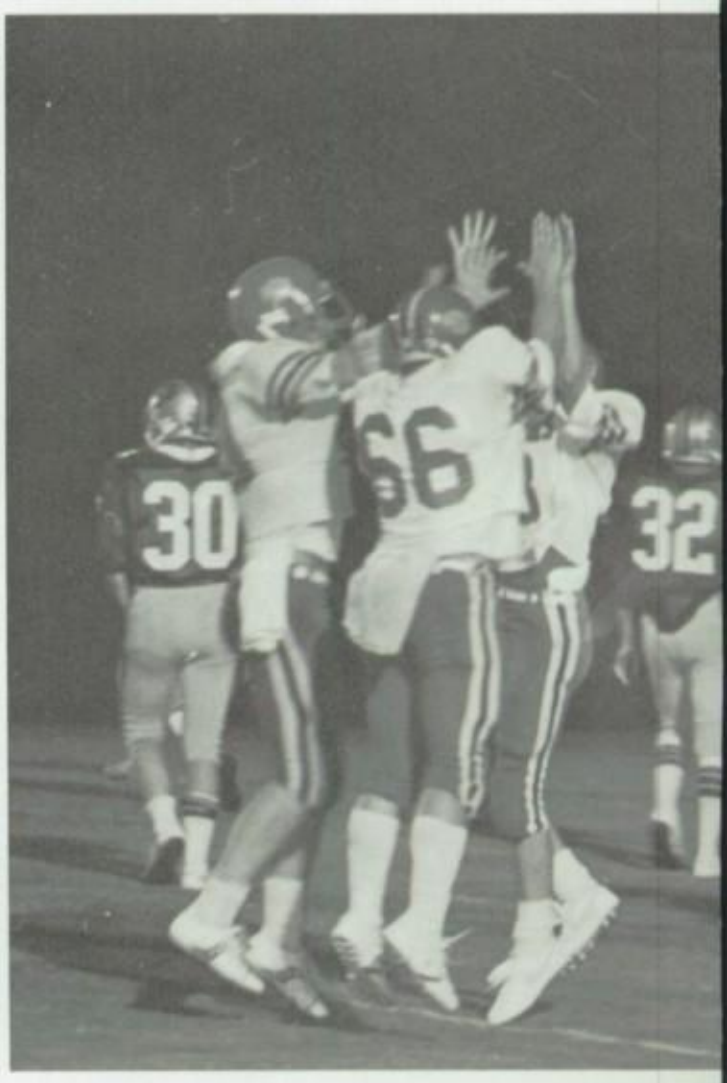
In 1983, the football team found themselves a little respect. The season wasn't really that great but the team wasn't blown out and did a little blowing out themselves. The team beat Ledford for the first time in 13 years, and the game just happened to be Ledford's Homecoming. The Raiders were led by strong Seniors, Chris Dobbins and Todd Smith. The Raiders ended up with a 4-6 record.

Chris Dobbins became Denton's first 1000 yard rusher and lead the team to the best season since 1979.



Red Raiders party after Marty Owens scores a touchdow against Ledford. The Raiders went on to spoil Ledford' Homecoming 23 to 14.

FOOTBALL TEAM IS ON A COMEBACK

Coach Hayes talks to his team at the Southwest Randloph game. The team killed SWR 27-14.

Quarterback, Todd Smith scores a touchdown against Central Davidson. Central upset the Raiders 13-12.

ott Craven breaks a tackle against Chatham Cenal. Denton defeated Chatham Central 21-0.

The varsity cheerleaders have had quite a year this year. Although they started the year out with ten cheerleaders, complications led them to have only eight. Being smaller made it tougher for the squad, but they were full of spirit and involved in many projects this year.

They attended Champion Cheerleading Camp at NCSU over the summer and won the "Yes We Can" ribbon. Not only did they learn alot, they had a great time and they got to know each other very well. They had a great time cheering the Red Raiders this year and they will always remember the days when they were a "DENTON VARSITY CHEERLEADER".

Outstanding seniors Kim Futrell, Gary Gallimore, Allen Snider, Mike Morris and Eugene Fine contributed their leadership and running talent as well as their experience. You Can

Denton High Junior Varsity Cheerleaders 1983-84. Olafia Cato, Debbie Rogers, Leigh Buie, Lyn Garner, and Kim Sargant.

Suspense is shown in the faces of our lady raider cheerleaders.

Lyn Garner prepares to create a stunt at a home game against SWR.

nior Varsity Cheerleaders. Shown here at a home me.

mile For The Camera" — Debbie Rogers takes a eak for some refreshments.

Kim Sargant, A sophomore lady raider, cheers our team on.

Our cheerleaders try to decide which cheer to do next.

DENTON HIGH MASCOTS 1983-1984

Studying our homecoming activities, we find mascots, Jeanie McCollum and Brent Harrison.

Running across the basketball court is Brent Harrison's thing. He's a Senior at Denton High and the crowd at ballgames will miss him very much.

Trying to learn the cheers of the cheerleaders we find Jeanie McCollum during a pep rally.

Cheering right along. Brent Harrison is just full of school spirit.

Look at all this mess, Mr. Cole went to his first pep rally when we played Central Davidson. It was the last for the year and one of the best.

SPIRIT OF THE CROWD

"I am stuck on Band aid." Raider fans wore band aids on their cheeks in honor of Senior Chris Dobbin when he was injured during practice and was forced to wear a band aid at several games.

Johnny,

Hi. How are you? Wild and crazy as usual. I've known you for centuries or it seems that way. Deep down inside I know you are a great person because every once in awhile that person comes out. You're a great person and a lot of fun to be around, even though you do stay in a lot of trouble I still care and love ya. Straighten up your act and you'll go far in life. May all your dreams even the wet ones come true. You're special to me so don't do anything to hurt yourself; someone cares about you at that someone is me. May God Bless you.

It is unbelievable to think that this is my last and final year at Denton High. I would never have thought that this year could ever have passed by so quickly, but here I am writing the last page to complete the 1984 edition of the Phoenix. Having worked with the annual and the annual staff has been quite an experience. Times were not always the best, but there was a great deal of enjoyment and excitement in creating this book that are all memories to us now. We had an abundance of fun as a group in deciding on what the book would be like. I will always remember the day we decided on the appearance of the cover. We voted and revoted approximately five times, but nevertheless, we were all exceptionally pleased with the results. When asked what colors we preferred, the staff decided to change and to eliminate our school colors of red, white and black because of repetition of these colors each year.

I would like to thank the staff for their great dedication in working with the book, but most of all, I would like to thank the person who made it all possible, our sponsor Mrs. Sheila Allen. She not only helped us in making the yearbook beautiful, she made it all enjoyable. Her caring and concerning personality made everything easier for me even when the going got rough. So it is to you Mrs. Allen that I give full credit for making this yearbook a success. I love you and thank you for everything you have done for me.

I could never have found a better way to end my school years so wonderfully as that of being editor of this fine book. The theme of the Phoenix very well speaks for itself. It is my hope that you, the students at Denton school enjoy this book as much as I had putting it together.

Before closing I would like to offer a bit of advice. "Make the best of your school years, because it will too soon come to an end." I love you all at Denton and I am truly going to miss each and every one of you. Good luck always. Enjoy the book, I hope it will always give you "SOMETHING TO REMEMBER".
